- No reductions of fees is made in the case of absence for illness, or any other cause as the expenses of carrying on the activity on the school and maintaining its efficiency are not in any way reduced by the temporary absence of pupils.
- There are schemes of insurance for school fees which may be arranged individually and the attention of parents is drawn to this for their protection.
- The fees structure is reviewed annually, usually in line with salary inflation and current inflation rates generally.
- E conditions are clearly stated in the Acceptance Agreement.
